

Financial Peace University

Holy Angels Church is excited to bring Financial Peace University (FPU) to our Parish. FPU is a 13-week program taught by Dave Ramsey and has helped over one million families alter their financial future. This life-changing program teaches families and individuals (ages 16-99 years) how to handle their money through common-sense principles and small group accountability. Information covered will be, for example: how to get out of debt, paying off student loans, making a large purchase, investing for the future and giving back to God! These are only a few of the subjects covered.

Free orientation session will be held on Thursday, Jan. 5, 2012, 7-9PM in Msgr. Walsh Hall.

Cost of the program is \$100 for two people.

This makes a great Christmas present!!

You can catch Dave Ramsey on the radio every day from 11AM-2PM on 980AM. To register or for more information, contact Therese or Jeff Burch at tburch4@verizon.net
